### The UK Independent Shops Directory

This online business directory is designed to help you find and support UK independent shops. The directory has been created by Clare Rayner, **UK Retail Expert** with the sponsorship and support of a number of organisations passionate about UK independent retailers.

We've made finding your local independent shops really easy, simply enter your **Town, County or Postcode** in the location box in the menu above, then click search and we'll provide a list of the independent shops in your area.

### Support For Independent Shops

Join us in supporting your local independent shops, by searching our directory of independent retailers from across the UK every time you go shopping. We'll help you to find your local independents and invest your shopping budget wisely in your local community.

### Reasons For Shopping Locally

#### Did You Know?

For every pound you spend in a local independent shop or locally owned business up to 70p benefits your local community whereas if you shop at an out of town centre or online with one of the retail multiples, as little as 5p finds its way back.

So next time you go shopping, think about where your pound is going. Is it into some corporate shareholder's pocket or invested in your local community to make it a better place?

That's why we want you to **Pledge your Support for Independent Retail in 2013**

### I Love Indie Shops

To show your support for the 'Support for Independent Retail Campaign' why not add this **'I love Indie Shops'** twibbon to your social media avatars.

Simply click on the image to the left and follow the prompts, Twibbon lets you add a campaign image to both Twitter and Facebook profile pictures.

### ... Help A Retailer

If you know of any independent shops that are not yet on our directory, tell them that they can get **FREE online and social media marketing** just by adding their details to our directory.

Our independent shops directory will attract customers who are passionate about shopping locally. We're certain they'll appreciate it and you'll be doing your bit for your local community too.
